

Community Preparedness Day

Whether it's a tornado, wild fire, winter storm or power outage, it's important to have the information and tools necessary before, during and after a disaster or emergency occurs.

Bring your whole family to build emergency kits* with donated supplies, develop a family emergency plan and learn about local, regional and state resources. In addition, you'll get an up-close look inside the Ozaukee County incident command vehicle, fire trucks, police car, ambulance and more.

This event is sponsored by Aurora Medical Center in Grafton, Columbia St. Mary's Hospital Ozaukee, Ozaukee County Emergency Management, Ozaukee County Public Health Department, and the YMCA.

* Limited to the first 100 families, one kit per family.

Enter a drawing to win a free weather radio.

Please join us for this countywide event ...

**Saturday, May 2
10 a.m. to 12 p.m.**

**Feith Family
Ozaukee YMCA**
