Rogue River Clean Up

Saturday September 26, 2015
9am--1pm

Raffle Giveaways!

Celebrate National Public Lands Day & National River Clean-Up Day by giving back to your watershed!

Join us for the fall Rogue River Clean-Up, 9am to 1pm. There will be several meeting spots from McGregor Park to Gold Hill. Register early so that you can help clean a part of the Rogue that means the most to you -- boat spaces are particularly limited. Gloves, garbage bags, water, first aid kits and guidance will be available for all volunteers.

Volunteers will gather at TouVelle Park for a free lunch, raffle giveaways, and volunteer appreciation.

To register and for more info contact Gail Perrotti at 541-261-7796 or gperrotti@earthlink.net
