Starting on June 6, arriving at the airport on time will be a whole lot easier! That's the day [Union Pearson Express](#) (UP Express) launches. As North America's first dedicated air rail link, UP Express connects Canada's two busiest transportation hubs - Union Station and Toronto Pearson International Airport - with a reliable 25 minute rail journey. Trains leave every 15 minutes, 19 ½ hours a day between 5:30am and 1am.

For UP Express, the journey is as important as the destination. They have joined with partners CIBC (sponsors of free Wi-Fi and the lounge at Union Station - CIBC UPstairs), CISCO, Rogers and Deloitte - as well as retail partners Drake's General Store, Balzac's Coffee Roasters and Mill Street Brewery - in order to provide the most comprehensive customer experience possible.
