

## Celebrate Toronto's Revitalized Waterfront at Party on the Promenade

Visitors and residents of Toronto are invited to join us for **Party on the Promenade** at the **Redpath Waterfront Festival** from June 19-21, 2015. Come celebrate the end of construction and the launch of Toronto's revitalized waterfront with parades, entertainment, and activities along Queens Quay and the Martin Goodman Trail. The refined waterfront includes a spectacular new pedestrian promenade and waterfront connection to the Martin Goodman Trail.

The festivities begin on Friday, June 19 at 6pm with a public ribbon cutting ceremony like no other, hosted by Waterfront Toronto and taking place at the Simcoe Wave Deck. A parade along Queens Quay and an opening celebration in HTO Park East will follow, so be sure to join us!
