

Start Your Summer Off Right at Harbourfront Centre this June

Performances start strong this month at [Harbourfront Centre](https://www.harbourfrontcentre.com/) with World Stage's presentation of *STRAIGHT WHITE MEN*, which runs for four nights from June 3 to 6. Written and directed by award-winning playwright Young Jean Lee, this hilarious yet deeply resonant play tells the story of a father, his three sons, their Christmas together at home, and an exploration of the inner conflicts and deeper truths in a seemingly ordinary life.

Taking stage on June 12 for two performances (matinee and evening) is NextSteps's presentation of *UNBXBL* by crowd favourite Gadfly. Offering an exhilarating dance experience of uncaged artistry and unchained madness, audience response and participation is encouraged during the event.

Dancing on the Pier, our weekly social dance series on Toronto's most beautiful dance floor, commences June 25. Running every Thursday until September 3, it's the perfect way to step into summer.

Canada Day is quickly approaching, start the celebrations at Harbourfront Centre's annual Canada Eve Fireworks on June 30 filling the night sky with an array of magical colours.
