

Be a Bud – Help Send a Kid to Camp!

Each week during July and August, [Harbourfront Community Centre](#) (HCC) welcomes 48 children to their Summer Daze Camp. Campers make new friends, play games and sports, go on trips, express themselves through art and music, and explore their amazing waterfront surroundings.

HCC knows that giving children a positive camp experience helps to build self-confidence and leadership skills that will last a lifetime. They keep camp fees low to make it easier for everyone to join the fun, but summers can be costly for marginalized families.

Each year HCC offers fee subsidies to waterfront families who need some help to send their children to day camp. Community needs continue to grow, and this year their goal is to raise \$5,000. Be a Bud and help send deserving kids to camp! Donations of \$20+ are eligible for a charitable tax receipt. For more information please contact HCC: 416.392.1509 | karen@harbourfrontcc.ca
