

Help the Sisters of Loretto in Pakistan: April Late Start, Great Start

The three Sisters of Loretto working in their home country of Pakistan are ending five years at a school for very poor children — primary through grade 10 — in Faisalabad. As they leave for a new mission in Lahore, the Sisters invite SMA and the other Loretto Schools in El Paso and St. Louis to join them in providing classroom supplies at the school as a gift for the students.

The coupons show the supplies and possible ideas for your children to earn money to help the students in Pakistan. Please choose one coupon or choose more, if you wish. Your help will make a big difference.

Please give the coupons and money in an envelope to your child's homeroom teacher or to Jackie Neal in the office on Late Start Great Start days (April 13 and 27) or anytime in April.

The Loretto Community, especially our Pakistani Sisters, join me in thanking you for your support!
