

REFERRAL PROGRAM!!!

You're our best form of advertisement and we would like to thank you for telling others about our school! Families who are currently enrolled may receive a \$20 credit when a family they refer enrolls* and pays their first month's tuition. We love our families and would like to know more families just like you!

If you have any questions, please see the school office.

*New family must mention who they were referred by on their enrollment form and must not have had children who attended FMS in the past.
