

**Bell Ringers**  
**Rotary Club of Salem**  
**October 14, 2015**

**Mike Ferris** is ringing the bell today for Phil McCorkle. Mike returned yesterday from a fly fishing trip to Montana which was planned and organized by Phil for four of his fishing buddies from Oregon. "Fishin' Phil" put together a wonderful fishing trip, which included some of the most beautiful fall scenery in Montana. During the trip, the boys fished the best trout rivers in Montana, including the Missouri, Madison, Yellowstone, Lamar, and Blackfoot rivers. Countless numbers of trout were caught and released including some huge Rainbows, which weighed in at about three pounds each. Many thanks to Phil for organizing a great fishing trip.

**Tim Cowan** would like to ring the bell for Holly's help. She is a great example of a Rotarian who helps the club and members outside of meetings!

**Linda Bednarz** is ringing the bell for Deb Wilding who just completed running her 100<sup>th</sup> marathon.

**Tim Nissen** did a "demo-bell ringer" during his report on Salem Rotary Foundation month, announcing that he was hoping for a cold winter. Ring the bell!
