Dear Customers of Haslemere Cellar

Once again I am pleased to offer premium quality, fresh, free range bronze turkeys, reared for me at nearby Bramble Farm. These traditionally reared turkeys are slow grown on GM free cereals to produce optimum texture and flavour. All sausage meat products and smoked bacon are hand prepared at 'Youngs' our local Chiddingfold butchers and please note that a 'CROWN' is breast meat only on the carcass.

Collection from Prestwick Farm, Chiddingfold, GU8 4XP on Wed 23rd or Thurs 24th December or request other date below.

All orders to be placed online www.prestwickfarm.co.uk or at Wine cellar by **Friday 11th December** please.

All birds are fresh, turkeys and geese are free range, capons are barn reared
