

ON-LINE TRAINING COURSE FOR SCHOOL AGE PROFESSIONAL FROM THE DELAWARE FOR EXCELLENCE IN EARLY CHILDHOOD

This past year, we launched a series of online training courses based on the work of Roberta Newman. There are 36 2-hour courses available. The courses are interactive, and the feedback on the ease of use, content, and delivery have all been extremely positive.

You can choose to access the entire catalog, or focus in specific areas:

- ★ **Youth Development**
- ★ **Social and Emotional Wellness**
- ★ **Learning Environment and Curriculum**
- ★ **Family and Community Partnerships**
- ★ **Director Level Training**

We invite you to an informational webinar to learn how to access these courses to meet your training requirements. There are 3 sessions to choose from, so please choose the day and time that works best for your schedule. If you are a larger institution, or would like to schedule a session outside of these times, please let us know.
