Following sold-out shows and rave reviews in Australia, New Zealand, Asia, and the USA—including a sold-out 2015 Boston engagement—the world's boldest and cheekiest magic show is coming to Boston! Presented by Citi Performing Arts Center and John Tobin Presents, The **Naked Magic Show** will be at the **Citi Shubert Theatre** for five performances only from **May 19 – 21**.

The show features magic, mirth, and more than a touch of mayhem as these two hot and hilarious magicians say abracadabra and take magic to a whole new level. Left without sleeves or pockets, their saucy magic is baffling and entertaining, bringing a new meaning to "now you see it."

This boisterous, R-rated magic show (not appropriate for children) strips away the top hats and capes, promising full frontal illusions. Good magicians don't need sleeves and great magicians don't need pants. This show proves just that.
