## Spring Shrub and Perennial Sale

*The Boyne Valley Garden Club is selling plants that are good sources of nectar and seeds for feeding birds and butterflies. The plants are hardy to -30° or -40° to survive our cold winters.*

- **Tiny Wine Ninebark** is a native cultivar that is a new dwarf shrub. It is just 3 to 4 ft. high & wide. Its flowers are pinkish white and cover the branches in late spring. The bronze/burgundy leaves are extra full. It likes full sun, regular watering, is disease resistant and won't need pruning, **3 gal. pot. 1 for \$24.00, 3 for \$69.00.**
- **Violet Riot Salvia** is a perennial flower with bright cobalt blue blooms from late spring into summer. It stands up strongly with aromatic foliage. It is 22 in. high and wide with average water needs, likes full sun and cutting it back will encourage a longer bloom time. It is deer resistant, **1 gal. pot. 1 for \$12.00, 3 for \$33.00.**
- **Apache Rose Grass** is a cultivar of native Switch Grass. It's grey/green leaves grow to 4 ft. high in a dense upright clump. In the fall it has rose colored flower panicles and leaf tips. It will stand up to snow and ice, likes full sun and is deer resistant. It needs to be cut down in the spring before new growth appears, **1 gal. pot. 1 for \$13.00, 3 for \$36.00.**
- **Red Jewel Helenium** is a native cultivar with 2 in. wide dusky red petals with a hint of blue. Its center cones are a deep red-brown. It is 30 in. high with strong stems. It likes full sun and **moist** soil. It blooms from midsummer to early fall and cutting it back encourages more blooms, **1 gal. pot. 1 for \$12.00, 3 for \$33.00.**
- **Alexander's Great Brunnera** is large. It grows to 15 in. high by 30 in. wide. The leaves are about 10 in. wide, heart shaped, heavily silvered and have deep green veins. It has little sky blue flowers in spring, likes part to mostly shade and slightly moist soil. It is deer resistant, **1 gal. pot. 1 for \$15.00, 3 for \$42.00.**
