National Cradle to Career Movement

ACYI is a member of the StriveTogether Cradle to Career Network, a national network of communities working to improve education success for every child through a data-driven, quality collective impact approach. Connected by their work on the ground, StriveTogether Cradle to Career Network members are committed to sharing knowledge, building upon what works and driving action to improve key outcomes along every child’s path to education success. ACYI is the first partnership in Colorado to become a member of the StriveTogether Network.

I AM A CATALYST FOR CRADLE TO CAREER SUCCESS

Invest in ACYI. Invest in what works. Shape the future of our children and young people.

From Proving to Improving: Fundamentals of Continuous Improvement

ACYI supports the partnership in tackling tough community problems using a continuous improvement framework. Put simply, this means we support flexible and responsive ways to try new strategies, and measure them against the cradle to career indicators that define success for students.

Aligning Efforts and Investing in What Works

ACYI provided the infrastructure, coaching, and analytical expertise that is beyond many partner organizations’ resources.

ACYI’s support empowers partners to remain focused on what works for student outcomes by:

• Focusing on local data, helping to highlight the impact of small tests of change.
• Creating short- and long-term goals, framing and prioritizing strategies within a defined scope.
• Using real-time data monitoring, abbreviating the time required to fine tune efforts.
• Shifting focus from programs to processes, and taking action based on results; optimizing partners’ success.

ACYI will launch its first annual event, the Catalyst for Change Breakfast - Support Cradle to Career Success on Friday, October 28th at 7:00 a.m. We invite you to be a part of this exciting event and become a sponsor.

All funds raised at this event will be to support the ACYI LIFT Fund (Local Impact Fund & Technical Assistance) that will provide ACYI partners just that - a lift to help build their capacity in supporting student success.
