

Leading Successful Collaborations Workshop

3/26 & 4/28 10:00 AM - 2:00 PM

- Does your nonprofit collaborate, coordinate or partner with others?
- Would you like that effort to be more effective, dynamic, and even *enjoyable* for all partners?
- Are there challenges you'd like to overcome in a safe, supportive space to help you do so?

Join your peers and presenter Michelle Slade for this two-part workshop. Develop practices for managing effective and healthy collaborative relationships that accelerate progress from talk to action to results. Gain perspectives and skills you

can implement right away. Workshop includes practical assignments and one-hour of coaching between sessions.
