LTHS Parent or Guardian of _____

One of the requirements for high school graduation is successful completion of the STAAR End Of Course Exam(s). Our records indicate your student needs one or more sections of STAAR EOC to fulfill this requirement.

Student Name: _____ **EOC(s) needed:** _____

It is highly recommended students test at each available opportunity in order to graduate on time. Additionally, we ask that students intending to take advantage of the summer testing and tutorial opportunities register online using the link posted on the **Lake Travis High School website** or at <http://goo.gl/forms/58vnUHFJzh>. Your student has been assigned to a mandatory tutorial session to ensure his/her success on the upcoming exam administration. **Tutorial session dates and times are listed on the back of this letter.** If a student elects not to take advantage of the July tutorials and/or testing window, the next opportunity to test will be the week of December 5, 2016. **Should you decide as a parent to not have your student attend tutorials and/or testing, please complete the online registration form (<http://goo.gl/forms/58vnUHFJzh>) and select, will not attend by Thursday, June 30, 2016.**

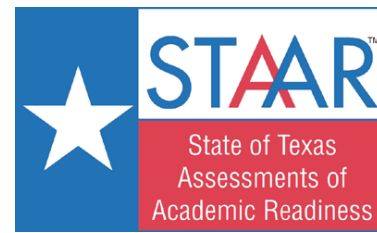

STAAR EOC	<u>Testing Dates:</u>	Subject :	Day:	Date:	Time:
		English 1	Monday	7/11/16	8:45-2:00 P.M.
		Algebra 1	Tuesday	7/12/16	8:45-1:00 P.M.
		English 2	Wednesday	7/13/16	8:45-2:00 P.M.
		Biology	Thursday	7/14/16	8:45-1:00 P.M.
		US History	Thursday	7/14/16	8:45-1:00 P.M.

All testing sessions will be held at Lake Travis High School in the D200 computer labs, and students will need to check the wall rosters posted in the D200 wing for testing room assignments each day. **Please arrive at 8:45am for testing.** If you would like, you may also bring a snack and/or bottle of water to drink.

Please note that students attending summer school will be released to attend his/her assigned tutorial/testing time in the event of a conflict. If you have questions or need further information, please call Wendy Sturdevant at 512-533-6118.

Sincerely,

Wendy Sturdevant
Associate Principal for Curriculum
