- ART ON THE FARM -

Placerville Art Association is partnering with ARC for this day of art. Bring your easel and supplies, or camera, and spend the day painting, sketching, or “shooting” to your heart’s content. There are potentially thousands of beautiful images to capture at Wakamatsu. With 272 acres of springs, streams, oaks and vistas, an old barn, dairy, gravesite, home and gardens, the viewpoints are endless. Docents will be on hand to share the history of this remarkable piece of property. Don’t forget your sunscreen, bugspray, water, snacks, etc.

Directions: From Placerville take Cold Springs Road about 6.9 miles. Entrance is at the green gate just after the farm.
