

# Larry's Legacy Bike Ride

## The History...

As part of its mission, St. John's Lutheran Church supports the *Weekend Kids Meals Program* of Feed my People Food Bank. We currently provide meals for families at Locust Lane Elementary. In the past, we have counted on Larry Everson, one of our members, who has biked over 50,000 miles, with each mile ensuring a monetary contribution toward Feed my People. Unfortunately, Larry has had to hang up his "pedals." While Larry is not longer biking, there continues to be a need for meals to be sent home every weekend for our youth to remain nourished. The congregation is working together to continue "Larry's Legacy," with the hope of raising enough funds to support Locust Lane's Weekend Kids Meal for the entire year. To do this we need your support. This is the first year of Larry's Legacy, but an annual event to support this great cause is anticipated.
