It Takes a Village:

A Community Approach to Teen Pregnancy Prevention

August 20, 2015

11:00 am—1:00 pm Eastern Time

OVERVIEW

This training is focused on providing information, data, and resources to support community efforts to address teen pregnancy prevention.

TOPICS

- Examine current state and national research around adolescent sexual behavior and parent/teen communication
- Describe Indiana laws around teaching sex education, including HIV/AIDS education
- Identify evidence-based pregnancy/STD/HIV prevention and youth development programs
- Learn new skills for effectively providing teen pregnancy and STI prevention education
- Identify current and future state and federal funding opportunities
