

FOFPTO Business Directory

1st edition

2015-2016

Thanks for picking-up or downloading a copy of the FOFPTO Business Directory.

We've put this together to create visibility for the business ventures of the current and past Farallone View parents and event sponsors.

The sense of community around the school is one of the many ways it is so special. We hope this will serve as another way to connect.
