

Parent Information

October was a very eventful month for our class. We especially enjoyed the memories we made during our pumpkin patch field trip. I have thoroughly enjoyed watching as the students in this class have grown so close to each other. They all play well with each other and even choose to all squish at one table for snack time - just to be able to hang out with each other! It's very endearing to watch them all work together to put toys away, especially when they all collaborate to move a heavier bin in its correct spot. They truly enjoy each other's company. This concept of community will be reiterated this month as we talk about Thanksgiving.

We will be having our Harvest party on Wednesday, November 15th at 11:00 am. Please be on the lookout for a sign up sheet.
