Hello 8th Grade Parents!

Wow! We are busy getting ready for the end of year events. We apologize for the bombardment of emails, but we want to make sure you are aware of all activities. Here is the latest:

- **Wednesday, June 8th - Laptop Check In:** 8th graders will be checking in their laptops next Wednesday. They will need to have their Laptop, Laptop Charger, and Laptop Bag. Any item not returned will be incurred a fee, so please make sure they bring everything with them that day.
- **Friday, June 10th – Progressive Dinner:** Students need to arrive at the Middle School by 4:00pm and will be back by approximately 9:30pm. Each student needs to turn in **\$15** by **Thursday 6/9**, which will go towards the Auction and “Operation Blessing.”
- **Monday, June 13th – Graduation Practice:** Drop off your 8th grader at the Elementary Campus at 10:00am. They will be meeting in the Chapel for a devotional, then practice for graduation. Pick up at noon at the ES Campus.
- **Monday, June 13th – 8th Grade Graduation:** This is it! The night they’ve been waiting for! Please have your 8th grader to the Elementary Campus Chapel by 6:15pm. The ceremony will begin at 6:30pm, with the reception to immediately follow in the gym. We have included an invitation for you to use to invite friends and family; however, when creating your guest list, please be conscious of the fact that the seating capacity of the chapel is only 300. Thank you.

We know this is a fun night, but please adhere to the dress code policy:

Dress and Grooming:

The following guidelines have been established in the development of the dress code for CCA. In the development of this dress code, our first step was to go to the Bible for guidance, keeping in mind that our goals are to, above all:

- 1. Honor the Lord (neat, clean, modest)*
- 2. Establish the best possible setting and atmosphere for a quality, distraction free, Christian education.*
- 3. Represent Cornerstone favorable in our community as a witness for our Lord.*
- 4. Be as “parent friendly” as possible*

We believe there is a definite relationship between dress habits, work habits, and atmosphere. Attire need not be expensive to be appropriate. The dress code is in effect in the building, on CCA’s campus during school hours, and at all school sponsored events.

Thank you for another great year!
