WHAT WE ARE LEARNING

- We continue to work on learning what makes a complete sentence. This week we continued our focus on how we form a complete sentence. Our focus in bible was on days 4 and 5 of creation. We had fun looking deeper into our bible verse. We really put a great deal of thought into how we would answer the question "What does it look like to be created in God's image?"
- We pushed right through chapter 3 in math. We were able to use our knowledge of number bonds to help us with addition.

Don't forget to look at the share schedule.

The only day it is ok to bring toys is Friday. The last 20 minutes of each Friday is free time and toys may be played with during that time. Please don't send any toys your student is not willing to share. If you have any questions about share time or Friday free time please let me know.

Thanks so much,
