

Parent Information

Greetings,

I hope that you have been enjoying your summer! I am thankful for the warm (but not too hot) weather!

We explored the 4th of July and went on a safari this month. The kids enjoyed making fireworks out of paint, ribbon, and all sorts of other things. They were also very excited to learn about the Military. We had several friends who were able to share about their parent's jobs in the military! Thank you to all who sent in pictures. This month we will be diving deep into the ocean and learning all about the life inside of it!

Please remember to continue sending your child with water play clothes, shoes, and towels.

God Bless!

Keely Aldridge

Let's Keep in Touch
