

## Parent Information

Greetings Southwest families. I hope everyone has had a wonderful October. We had so much fun at the pumpkin patch!

November brings lots of fun new things to learn about. This month we will not only be focusing on Harvest and Thanksgiving but farms as well. What animals live on a farm? What types of food do farmers grow? What tools do farmers use? We will be answering these questions as a class and learning what it takes to be a farmer!

Remember the weather is changing and getting much colder. Always have your child bring a coat or jacket to school. Even when it is raining we do our best to go outside and play! Hats and gloves are recommended as well.

I have posted on our parent board these lesson plans, menu, newsletter and special events. I look forward to all the fun we will be having this month!

Thank You,  
Ms. Diana

## Let's Keep in Touch

If you have any questions regarding your child, please do not hesitate to email me at:
