

## Parent Information

Summer is almost over, but we still have one month left to enjoy the weather and summer vacations! I have loved hearing about what your little ones have been doing throughout the summer, and I am glad to see most of you are getting in lots of family time!

We have had a great month talking about camping, circus fun, pets, and dinosaurs! Now it's time to learn about the ocean and how to stay healthy. We are also going let the kids decide what kind of art they can create!

Just a reminder, we are closed the 22nd-26th of August to get everything cleaned up and organized for the new school year!
