

CCA Food and Fellowship

“Taster’s Choice” Cookbook Event

Food and Fellowship is back with a new look! In the past, it’s been held at local restaurants. This time, we are having it in the Elementary campus gym.

The purpose of this event is to fellowship after a busy week while showing off your cooking skills. From this event, PTF will formulate a CCA cookbook to raise money for the students.

How It Works:

Families make their favorite dish to share with the CCA family. “Tasters” will move from station to station sampling these culinary delights. When the tasters find a dish they like, they are encouraged to place a quarter in the bucket to show support for that dish.

At the end of the night, quarters will be counted and gold, silver, and bronze spoons will be given to the cooks of the three most liked dishes.

All of the recipes will be featured in a CCA Cookbook that will be available in December. If you didn’t have the opportunity to cook and share your dish at the event, you may submit a favorite recipe to be included in the cookbook.

It is our hope that this event becomes an annual event for families to share their favorite dishes!
