

## Parent Information

Greetings Parents! What a great summer we are having. First I would like to say good bye to our wonderful friend Evelyn. She is such a sweetheart, and she will be very much missed. I would also like to welcome a new friend to Green West. Owen is already getting off to a wonderful start, and we are excited to get to know him better.

Little Declan will be two this month, so we want to wish him a very happy birthday. We cannot wait to celebrate with him.

Finally, some days warmed up enough so we could do some water play. We learned all about the circus and how to go camping, but the all time favorite was Dinosaur Week. Watching those kids roar was a hoot, and all the colors made for some really pretty dinosaurs.

In August we will finish learning about the deep blue sea just in time for the Olympics. We will discover how we too can have tons of fun while staying strong and healthy. Have a great rest of your summer.

Mrs. Patty
