## Parent Information

I want to say that it has been so much fun watching your children grow and learn this year. Some of your kiddos are moving up to a new and wonderful adventure in kindergarten. I hope they have fun and enjoy their new class. I will miss you all, lots!

Last month, we covered the Military branches, the 4th of July, and animals of Africa. We learned so much about lions and family groups called "prides." We learned about how fast cheetahs can run, and that they can only run for short bursts. It was so fun. Your kids are amazing!!!

Please remember to bring water shoes for the days that we will participate in water play. We will not let the kids play in tennis shoes, unless you have specified. Don't forget to bring swimsuits and towels too.
