

Parent Information

I will be moving to a different classroom in the month of August. I have the privilege of moving up with some of the children to Ms. Keely's class, where I will be assisting. Ms. Kyndra will be moving to the Lead Teacher position in the Southwest class beginning August 8. Please let me know if you have any questions.

The month of August we are focusing on oceans, and the animals that live in the deep. Along with learning about the ocean we will be having fun learning all about the Olympics.

For days over 80 degrees your child may bring a swimsuit, water shoes, and a towel for water play in the afternoon.

~Ms. Jessica & Ms. Kyndra

Southwest Newsletter August 2016
