

## Parent Information

Summer is almost over, but we still have a ton of fun left. At the end of the month kids will be coming back from summer break. I am so excited to see them again and introduce them to our new friends from Red Room. We also want to welcome Ms. Devyne who is assisting in the Yellow Room. She is off to a terrific start, and she is so excited to meet everyone.

We are sad to say goodbye to our buddy Christian. He has grown so much over the past year. We want to wish him the best of luck.

The past week was filled with dinosaurs and camping, and we also had a great time cuddling and learning about our pets. The kids loved giving them baths and splashing in the water too.

This month we get to explore the deep blue sea and all its animals. We also have an exciting week at the Olympics where we will discover how to have fun while staying in shape. August should be a splash!
