Memory Verse: Ephesians 6:1-3 Children, obey your parents because you belong to the Lord, for this is the right thing to do. Honor your father and mother, this is the first commandment with a promise. If you honor your father and mother, things will go well for you, and you will have a long life on the earth.

- ❖ **MAP testing:** We'll begin with our reading test on Tues and continue with testing through Thursday. Please help your student be successful by ensuring they get good rest each night and eat a nutritious breakfast to start the day.
- ❖ **Book Study:** This week we will be starting our first book study of the year...A Long Walk to Water by Linda Sue Park. Not only will we read this book during class time, but also your child will be responsible for reading assigned chapters at night. Please help support your student by letting them read aloud to you and discuss what's going on in the book each night. This really improves comprehension and fluency. *It will be extremely important that your child stays up-to-date on assigned reading as well as remembers to bring their book to and from home each night.*
- ❖ **Chapel Tech Team:** This is a leadership opportunity only available to 5th graders. Students should have a desire to learn the sound board, run PowerPoints and take pictures during chapel, as well as be able to sit quietly during chapel. Applications will be sent home this week for those interested students.

Things to look forward to:

- Safety Patrol: Team C
- Parent Night: Monday, 9/21 @ 6:30 (starts in the chapel)
- MAP testing: 9/14 – 9/18
