Meghan sold homemade wal-lets, and saved her allowance. She's done this since her fam-ily adopted Gizmo!

Robbie is one of our angels! She adopted Little Bit and Diamond, and then when we needed a special home for Howie, she decided he'd fit right in! When they come back for visits, they always bring a truck full of much needed supplies. Thank you!!

We had so many adoptions of cats and kittens last month we didn't have the time to photograph them! Here's Kosmo with his new Dad! Don't wait to add a funny little fur ball to your family. Winter is coming and wouldn't you like to dispel the chill with a cute and cuddly fur-son on your lap?

Brownie may have gone home, but we still have one Daschund puppy left!!!! Bonnie is just chillin' in the lap of her oversized Orangutan snuggle toy until she goes home. Bonnie is a 3 month old Miniature with a lot of spirit and energy. She loves to be held and is good with dogs, cats and older children. Puppies are always being made available for adoption. Don't miss out on a new forever friend!

Animal Rescue Aid's goal is to make sure that every shelter pet has a comfy bed. ARA provides an opportunity to obtain this type of bedding at a significant discount. You can donate a bed for \$17.50 by faxing an order to 770-594-9576. www.animalrescueaid.org **10 beds so far!! Thanks!!**

Cat Corner

We have many beautiful cats and kittens who are waiting for a forever home. Come by and spend some time in our "Cat Room". You are sure to find a sweet friend to take home.

Bruce

4 mo male. DSH Brown tabby with white feet. SUPER sweet!

Wally

2 yo male, Neutered. DSH. Red tabby. Sweet but shy boy. Needs a lap!

Janel

1 yo. Female, Spayed. Funny little camera hog. Shy at first, but very loving!

Abigail

2 yo female. Spayed. DSH Red. Oklahoma Momma! Sweet, petit, and very friendly.

Merlin (and Mystic)

4 mo males. Neutered. Sweet tempered and playful. Very fond of each other. Purr-sonality!

Normans' incredible journey

Norman was rescued from a kill shelter; this 4 year old poodle suffered from cataracts. We were able to raise the funds needed for his surgery, and a wonderful foster family was found for his pre and post-operative care. Norman's first image was of his beautiful foster Mom, who's voice he'd been following for weeks. Norman enjoyed day trips to Max's Grille, Worth Avenue, and Jupiter Inlet during his convalescence. Now fully healed, he's ready for his new home! And a belly rub!

Shelley is a Dog Walker who swore she wouldn't adopt a third dog. That was before she met Kadu! This sweet little Min-Pin captured her heart! But, she still finds plenty of time for the dogs still here!

Merlin/Taco's name just got longer. He's now George, named after the royal Prince George of Cambridge. George's official duties include snuggle, eating treats, and just generally being cute!

Little Freckles didn't even last the weekend behind the Front Desk before she found her new family. We're so happy when we can find homes so quickly!

Precious was one of our Oklahoma rescues! Abused by her former owner, this shy girl needed some TLC! She will certainly be getting what she needs now!

Sammy decided to go for one last roll on the front lawn before climbing into his sleek new ride!

Sweet senior Vincent has climbed into the lap of luxury! This tubby fellow is the second TCHS rescue for this family. We see only (more!) great things for Vincent in his new home!

VOLUNTEER SPOTLIGHT! Our volunteers bless us with their many talents!

Ben and Mayra are only two of the many generous people who volunteer their time at and for the Shelter. Long time supporters, they took a break from daily dog walking to focus on raising their son and building their business, Stern Realty. This year they saw many transitions with their son entering Middle School, and the passing of their two Pomeranians. They dedicated their summer to re-training as Dog Walkers, helping out at special events, where their son designated himself the official photographer, and FOSTERING NORMAN!

THANK YOU FOR ALL THAT YOU DO!!!!
