

PRESENTED BY

A PROFESSIONAL DEVELOPMENT OPPORTUNITY

Creative Learning Labs are 2 ½ hour professional development workshops on a variety of topics pertinent to the needs of teaching artists and arts education providers.

THIS MONTH IN THE LAB
Tuesday, November 3, 2015

AM SESSION

9:00 am to 11:30 am

STEAMOLOGY: THE POWER OF ARTFUL LEARNING

Led by Tyler and Monica Aiello from Eurekus

Join esteemed artists, educators and NASA consultants Tyler and Monica Aiello for an engaging workshop exploring the power of arts-integrated STEM learning. They design STEAM programs for NASA, K-12 schools, colleges and more, investigating STEM topics through the lens of arts and culture.

PM SESSION

1:00 pm to 3:30 pm

THINK MEDIA IMAGES: EXPLORING THE WORLD OF 21st CENTURY LITERACY

Led by Laurie Chin Sayres from Labragirl Film Project

Are you media literate? Are you curious about the impact media images have on our students? This interactive session will discuss the importance of 21st century literacy in classrooms and review the nuts and bolts of media literacy education.

REGISTRATION

\$40 single session
\$60 both sessions

Register on **think360arts.org**
Click on 'For Artists',
