

Shop Safety and Hazard Recognition Workshop

You're invited to join South Shore Clean Cities and Circle Tool Supply to the Green Fleet Educational Workshop on shop safety and hazard recognition. During this workshop, we will review shop safety requirements and identify the hazards present that lead to incidents and injuries. Together we will identify how many of the Most Frequently Cited OSHA Standards exist within your shop and facilities.

Who Should Attend:

- Public Works Directors
- Supervisors
- Road Agents
- Auto Shop Employees
- Municipal officials
- Municipal Garage/Facility Employees

WHEN: Wednesday, July 13, 2016

WHERE: Ivy Tech Community College
3100 Ivy Tech Dr. Rm. D119 | Valparaiso, IN 46324

TIME: 10:00 am - 1:00 pm Central Time
(Lunch will be provided)

South Shore Clean Cities manages the Northern Indiana Green Fleet Program for our local Metropolitan Planning Organization (MPO), Northwest Indiana Regional Planning Commission (NIRPC). The goal of the program is to significantly improve the environmental performance of business and government vehicle fleets across the region through diesel retrofits and other emission reduction strategies.
