

SOUTH SHORE CLEAN CITIES INVITES YOU TO A FREE GREEN FLEET EDUCATIONAL SESSION ON PROPANE

Why You Should Attend:

- Learn ways to improve your fleets carbon footprint and **Reduce Emissions**.
- **Network** with peers, vendors, and experts in the transportation community by sharing tools, techniques, and experiences on propane.
- Participate in **Education Forums** led by industry experts, fleet managers, school bus and government agencies on topics such as propane applications, Government regulations, tax incentives, air quality, grant programs and more.
- **Ride & Drives** featuring: Propane Autogas public works vehicles, law enforcement, first responder, school bus and transit vehicles, and propane lawnmowers and equipment.

WHEN: Wednesday, August 19, 2015

WHERE: Gary/Chicago International Airport,
6001 Airport Rd, Gary, IN 46406

TIME: 9:00 am - 2:30 pm Central Time

(Breakfast and lunch will be provided)

South Shore Clean Cities manages the Northwest Indiana Green Fleet program for our local Metropolitan Planning Organization (MPO),

Northwest Indiana Regional Planning Commission (NIRPC). The goal of the program is to significantly improve the environmental

performance of business and government vehicle fleets across the region (Lake, Porter, and LaPorte) through diesel retrofits and other strategies.
