April 16th

POLICE ALTERNATIVE FUEL SUMMIT

You are cordially invited to attend the Police Alternative Fuel Summit to be held April 16, 2015.

Location: 320 Lexington Drive, Buffalo Grove, IL 60089

Time: 10 am to 1 pm

In conjunction with the Clean Cities organizations of Chicago, South Shore (Northwest Indiana), and Wisconsin, Advanced VTech will host an informational meeting regarding natural gas and propane fueling by law enforcement fleets. The goal is to disseminate complete and accurate information on alternative fuel options available for the fleets of Illinois' police, sheriffs, and troopers. Being that these fleets consume significant fuel, they offer excellent payback on conversion investment with dramatic emissions reductions.

The summit will include:

- Activity, grant and rebate updates from Chicago Area Clean Cities, Wisconsin Clean Cities, and South Shore (Northwest Indiana) Clean Cities
- Presentations by Police Chiefs utilizing alternative fuels in their patrol cars
- Presentations by manufacturers' of alternative fuel systems
- Presentation by the Tactical Energy Group, Jonathan Burke regarding the study of and implementation of alternative fuels by municipalities
- CNG and Propane bi-fuel demonstration vehicles – Ford Interceptor (sedan), Ford Explorer (utility), Chevrolet Tahoe PPV
- Station building information from Ozinga Energy
- Fuel options from Nicor, AmeriGas, and NGL
- Sample bid specification for municipality use
- Information on maintenance facility modifications for alternative fuel vehicles
- Sandwiches and dessert provided by Deerfield Bakery – an operator of CNG delivery trucks
- Coffee, soda, water, and juice

More details will be provided shortly. We hope you will be able to attend.

Please RSVP at <http://whoozin.com/RDH-MCC-UARM>

Event supported in part by Chicago Area Clean Cities.
