Get the most from your membership!

Use the MMAC Directory and Business Resource Guide as a cost-effective, year-long way to connect with your fellow members.

Connect in 3 different ways. There's an option for every budget.

- 1** Call attention to your company listing in the Buying Guide which lists all members by their category of business. **Purchase bold, red, descriptive lineage, or additional categories.**
- 2** Place a one-color **display ad near your company listing** to stand out from the competition.
- 3** Showcase your company's brand and leadership role in the greater Milwaukee region with a **4-color ad in The Business Resource Guide.**
