FPA Philadelphia Tri-State Area Members:

In 2015, we hope each of you were able to attend a quarterly meeting, the spring symposium, the fall retreat or one of the many study groups or happy hour networking events. Each of the many events held presented a great opportunity for our members to network, obtain CE credits, learn about the value our sponsors offer and provide opportunity for you to engage with the Chapter. The best way to engage with the Chapter is to join one of our many committees. Committees and committee volunteers are very important to the long-term health and viability of our organization and a great place to develop skills and connections that will further your career.

We encourage each of our valued members to bring a guest to one of our upcoming events. Please contact membership directly at the number or email below to inquire on a complimentary guest pass.

Here is a list of next few opportunities for members to connect with one another. Please visit our website at www.fpaphilly.org for further information and to register for each event.
