

# Author Liz Pichon is coming to Lafayette!

The British author and illustrator of the Tom Gates books is coming to Lafayette on September 29 for 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> graders. Her wildly popular illustrated books feature Tom Gates, a doodling fourth grader with a tendency to get in trouble. He's often called Great Britain's answer to The Wimpy Kid.

Barstons Child's Play is offering our families the three Tom Gates books (listed below) at a 20% discount. Liz Pichon will sign the books for you. If you'd like to buy a book (or books) for your child, please fill out the form below.

### The Brilliant World of Tom Gates:

Tom Gates loves doodling, annoying his sister, and playing with his not-very-good band, the DogZombies. Join Tom as he tries to avoid homework, win awards, impress Amy Porter, and drive his sister completely insane. This bestselling U.K. Series will have you laughing from the first page. Now in paperback.

### Excellent Excuses (And Other Good Stuff):

In Book 2 of the Tom Gates Series, Tom is continuing his quest to reach the top of Mr. Fullerman's award chart, but it is more difficult than he expected. Between Marcus Meldrew, aching teeth, and a whole world of distractions, Tom might not win any awards, but he will have you laughing out loud.

### Everything's Amazing (Sort Of):

The school dance and Tom's birthday are right around the corner and nothing is going quite right. His father might DJ the school dance, no one is paying attention to his birthday wish list, and Granny Mavis wants to put carrots in his birthday cake. Book 3 in the Tom Gates series is even funnier than the first two. It's new in the U.S.: coming out in September.

Liz Pichon will also be speaking and signing at Child's Play in Washington, DC at 4 pm on Tuesday, September 29th – all are welcome!
