

Picture Day is this FRIDAY! All students will be photographed by Bethesda photographer Freed Photography [insert link: www.freedspirit.com]. Both class and individual photos will be taken – no order forms – no pre-paying.

Freed Photography operates a little differently than traditional school photographers. Students will be photographed *outside* using sunlight and the backdrop will be various spots around the park. You do not pay for photos before you see them. A few weeks after picture day, you will have the opportunity to view your child's proofs online and you may order as many or as few photos as you like at that time. The photographers use many different tactics to get your child to smile his/her most natural smile, so you may see some full-body or waist-up shots of your child – these can be cropped (per your request) to show just the traditional head and shoulders pose. For a sneak peak of what to expect, please go to their website [www.freedspirit.com] to see their portfolio.

Picture Day Clothing Suggestions: solid colors and simple patterns photograph best; collared shirts or polos for boys look great; avoid sweatshirts/sweatpants and t-shirts with large logos or letters.

Please feel free to contact Gayle Moseley (gaylemoseley@rcn.com) with any questions you may have.
