

## Link your CITI Completion Report

Link your CITI training completion report PDF to your IRBNet profile so you won't have to worry about it until your next renewal. Linking your CITI training PDF to your profile means any IRB submission you submit of which you are on the research team, will automatically have your CITI Completion Report. That's one less file you'll need to attach to your project.

### How to find your CITI Completion Report

Human Research

Social & Behavioral Research Investigators										
Stage	Completion Report #	Start Date	Required Modules	Elective Modules	Learner's Score	Passing Score	Completion Date	Expiration Date	Completed Modules	Completion Report
1 - Basic Course	1405671	11/13/07	Completed	None Required	81%	80%	11/13/07	11/13/10	<a href="#">View</a>	<a href="#">View</a>

1. Click on "my reports" at the top-center menu.
2. Once a training course is complete, there will be a 'view' link under completion report. If there's an 'N/A,' you must complete a module.
3. Click the 'view' link below the completion report box.
4. Save this completion report and link to IRBNet.

Click [here](#) for a step-by-step guide on how to link your report.
