

Book Return Spring 2016

The following is a list of books that are part of the Trinity School textbook rental system.

Students should inspect their books and erase all markings. (All books were inspected and their condition recorded prior to the school year.) The Trinity School staff will inspect the books later in the summer for damage above and beyond normal wear and tear.

Student should bring their rented books to the auditorium on the day of their oral exams.

Juniors will need to bring their laptop computers to their science oral exam and leave them with their instructor to be stored at Trinity School during the summer. Seniors need to return their laptops so that the Trinity licensed software can be removed from the computers. Their laptops will be returned to them prior to graduation.

Please feel free to call Mrs. Heinrich with any questions or concerns, or you can reach her by email, kheinrich@trinityschools.org.
