

# Get to Know Your **LOCAL** P25 Provider

and learn why EFJohnson is a Smarter Way to P25

**Thursday, February 20**

**10 am - 12 pm (followed by lunch)**

**EFJohnson Technologies**

1440 Corporate Drive | Irving, TX 75038

There are only three companies that can provide a full P25 solution with systems & subscribers. One is right here in the DFW Metroplex. Join us to learn more about your local P25 solution provider and how we can help you get the radio system you really want with the guaranteed coverage, reliability, value, and support you need.

**REGISTER NOW**

**RSVP by Feb. 18th**

**WIN ME!** ▶

Qualified registered attendees will be entered for a chance to win a new Viking® VP600 portable radio in your choice of black or high visibility housing.

**DID YOU  
KNOW?**

**ATLAS®**

EFJohnson's ATLAS radio system powers some of the largest statewide communications including Wisconsin, Hawaii, and Puerto Rico as well as the Yukon territory.

**VIKING®**

EFJohnson's Viking® VP900 multi-band portable radio was awarded the 2013 APCO hot product of the year award. It is ½ the cost of competitor multi-band radios with all of the high tier features.

**MADE IN  
TEXAS**

All of EFJohnson's portable and mobile radios are manufactured and serviced in the DFW metroplex. When you buy our radios, you keep your hard-working neighbors employed.
