

Save the Date!

The Inclusive Schools Coalition of Central and East Contra Costa County, a Project of the Rainbow Community Center, presents:

Welcoming Schools & Communities Summit / Rainbow High

Saturday September 10, 2016

Our youth are being bullied, teased, and rejected because of their gender and sexual orientation - let's come together to make a change!

The Summit is a space for:

- Youth to voice their needs;
- Participants to learn how to build more welcoming spaces;
- YOU to participate in dialogue around creating supportive families, safe schools, and accepting faith groups and communities!

The Summit welcomes youth ages 11 and up, and all interested adults.
