

FAITH

is believing what Jesus did
can change me.

MEMORY VERSE

“God’s grace has saved you because of your faith in Christ. Your salvation doesn’t come from anything you do. It is God’s gift.” Ephesians 2:8, NIRV

MORNING TIME

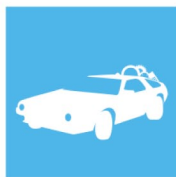

Post this month’s memory verse someplace where everyone can see it. Read it together several times. Now turn away so you can’t see the verse anymore and try to repeat the verse together.

MEAL TIME

Ask a kid: How can you point others to Jesus with the way you live your life?

Ask a parent: Whom do you know that lives their life in such a way that it makes people want to know more about Jesus?

DRIVE TIME

Watch this month’s music video “Walk By Faith” on either the Parent Cue app or Studio252.tv/fun2watch. Can you memorize the chorus?

BED TIME

Read Acts 9:1-25. Ask God to help you learn to see Jesus for who He really is.

PARENT TIME

Our kids have incredibly beautiful imaginations. They see shapes in the stars of the night sky. They make up stories about unicorns and fairies. They pretend to be the MVP of their favorite pro team. With their imaginations, kids dream big and imagine impossible dreams. But at some point every kid realizes stars are simply balls of gas, unicorns aren’t real, and their odds of going pro are slim.

Sometimes reality can be disappointing.

But sometimes reality changes us for the better. The real story of Jesus—how he really walked on earth, how he really died for our sins, and how he really rose again—gives kids something to believe in that will see them through the ups and downs of life. When kids allow the

story of Jesus to become part of who they are, it can impact every decision they make.
