

Lebanon High School

"Student Athletes Achieving Excellence in Academics and Athletics"

Few schools across Indiana enjoy the rare combination of academic honor and athletic success like Lebanon High School. Our student athletes excel in the classroom and in competition. Our athletic teams consistently rank at the top of the very competitive Sagamore Athletic Conference.

We are proud to have outstanding community support, involvement, participation and attendance from parents, families, spectators and fans displaying awesome Tiger Pride. The Lebanon Tigers continue to be the best game in town and we are extremely proud of the outstanding reputation our athletic teams have earned over the years for their competitiveness and excellent sportsmanship.

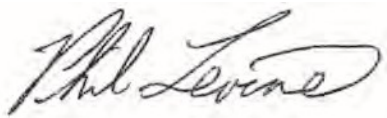

Lebanon High School has an enrollment just over 1000 students and offers participation in 21 different sports that make up 42 athletic teams. The teams compete in the IHSAA class 4A for football and 3A for all other sports. We truly believe athletics is a valuable extension of the classroom, a unique place to learn, pursue healthy outlets, and develop life skills such as leadership, confidence, character, citizenship, discipline, time management and teamwork. We are so proud that year after year over half of our student athletes receive recognition for achieving a 3.3 B+ grade point average and are honored with our "Student Athlete Achieving Excellence in Academics" Awards.

In an economic climate where education funding remains a steep challenge, financial support and sponsorship from local businesses and community members is crucial. If you have served as an athletic booster sponsor in the past, "Thank you!" We encourage you to continue or perhaps, even grow your sponsorship. If you've never been a sponsor, I would like to invite you to become a partner through our Athletic Booster Sponsorship Program. In doing so, you'll be joining a school and community with a rich tradition of pride and success.

Sponsorship equally benefits all sports, helps to meet the needs of all student athletes and coaches and is critical to running a first class athletic program. Please take a moment to review our Athletic Booster Sponsorship Package. You will find a variety of sponsor levels and great benefits for choosing to be involved.

I thank you in advance for joining our team as an Athletic Booster Sponsor for the 2015-2016 school year.

Respectfully yours,
