What will your support of the Golf Classic do for the 3,600 youth of our area

As one of the nation's largest and most effective youth development organizations, we have served young men and women for more than 100 years. Together with your help, the Boy Scouts of America will continue to inspire young people to make ethical and moral choices, become self-reliant, and take a prominent role in civic engagement over their lifetimes. Prepare today. Lead tomorrow.

In Scouting, we are building the leaders of tomorrow. Our exciting programs and adventures inspire lives of leadership, character, and service. Relevant and adaptive, we are trusted advocates for youth. Scouting reflects and shapes our nation by using programs that are exciting, age appropriate, culturally relevant, and appealing to today's youth.

Boy Scouting is more than something to do. It's all about building leaders of strong moral character. As we look for vitality in our communities, we must be willing to put forth the commitment to guarantee that we do not lose our most precious resource—*our children*. We can make them leaders.

Your support ensures that every young person who wants to join

Scouting has the opportunity through financial support for books, uniforms, registration fees, camp fees, along with a trained and caring staff to ensure a quality program.
