New Litchfield, Hillsboro area phone book delivery underway

LITCHFIELD – Delivery of the 2015-2016 edition of The Phonebook from Consolidated is wrapping up in the Litchfield and Hillsboro areas.

The directory includes easy-to-read white and yellow page listings, and features a newcomer's guide and handy governmental listings for the Litchfield and Hillsboro area.

The online version (Internet Yellow Pages) is always available to search for local as well as nationwide businesses and features the ability to search for a business by name or category, maps, driving directions and link to many advertiser Web sites and their videos. Also available is an easy-to-use mobile app for iPhone, iPad and Android, giving users the ability to search by voice activation for businesses and offers the further convenience of click to call, all while they're on the go.

To access or download the Internet Yellow Pages or mobile applications, go to consolidatedlocal.com or consolidated.com.

Consolidated Communications encourages area residents to recycle their old directories by dropping them off at the Litchfield Communication Center, the Litchfield Communication Center, 301 N. Madison, Litchfield, or the Montgomery County Recycling Center, 506 Corporate Drive, Hillsboro.
