September 16, 2013

Dear NAARSO Certification Holder:

Due to the damage caused by Storm Sandy, you may remember, NAARSO granted a one year extension to those individuals whose certification renewal date was March 31, 2013, in certain effected states. It is our hope that this additional year has provided you with the opportunity to recover from any storm damage caused by this devastating weather event. The NAARSO Board of Directors inclusive with the Certification Board would like to remind you that your NAARSO certification renewal will need to be taken care of by March 31, 2014. *There **will not be** another grace period extended.* There are several oppotunities available on the East Coast for the NAARSO approved continuing education including:

1. The Pennsylvania Showmen's Club training, PACE. The brochure can be found on our website under the "Seminars" button. This training is taking place October 28 - 31, 2013, in Greensburg, PA.
2. AIMS Safety seminar held the week of January 12 - 17, 2014, in Orlando, Florida. You can find their brochure on their website.
3. Our 27th Annual Safety Seminar to be held the week of January 26 - 31, 2014, in Charlotte, North Carolina. There is an information flyer on our website under the "Seminars" button. The full brochure will be posted shortly.
4. After a one year's absence, the NJ Amusement Association is currently working with NAARSO to schedule a full 32 hour training for certification renewal purposes. The tentative date is February 17 - 21, 2014, located in Atlantic City, NJ. Please check with the NJAA office directly for registration information. NAARSO will be posting a full brochure as soon as it is available.
5. If you find that you are unable to attend any of these training opportunities, you can also look at our Online Training option. Simply click on the "Online Training" button on our website and follow the link.

Hopefully this reminder with training options will provide you with the information you need to be prepared to renew your NAARSO certification by March 31, 2014. If you have any questions, certainly feel free to call the office.

Respectfully,

Clyde Wagner
President
